

work party info

Work parties tend to be a couple of hours in length. Please bring gloves and any other safety equipment you deem necessary. We will have several pullerbears and loppers on site. If you have tools you think would be useful please bring them.

Please let MISC know if you are planning on attending. We will cancel the pull if it is either raining too heavily or if it is too windy, so please watch your email the day of the pull.

We have been working both in Metchosin parks and in the CRD parks within Metchosin (Matheson Lake Park, Roche Cove). In order to work in CRD parks you need to sign up as a volunteer with the CRD (to be covered by their volunteer insurance program).

To register with the CRD as a General Restoration Volunteer, please fill out the form below and send it in to them:

<https://www.crd.bc.ca/parks-recreation-culture/parks-trails/crd-regional-parks/volunteering-for-regional-parks>

(Click on the **Join today!** link which takes you to a page where all of the positions are listed. Click on the **General Restoration Volunteer** position and it will take you to a page with a position description of the role and on the right hand-side of the page, under the heading, "**I would like to volunteer**", click on the "**Fill in an Application**" tab.)
